

2008 WINTER X GAMES

THE GOPHER-STATER

STEVE FISHER, SNOWBOARD

AGE 25 **BASE** Breckenridge, Colo.

CAREER HIGHS Two-time Winter X superpipe champ (2004 and 2007)

X FACTOR Was adopted as an infant.

Don't be fooled by the artwork. Steve Fisher's new board might channel *Where the Wild Things Are*, but its owner is about as tame as they come. "I'm usually in bed by 11," he says. With no piercings, the same girlfriend for three years and a Volvo in his driveway, the guy clearly lives life in the slow lane. Except when he shreds: A top finish at Winter X would make Fisher the first male snowboarder to bag three superpipe golds at the X Games. Now *that'd* be wild.
